

# Certificate of Analysis

## Animal Blood / Serum

**Customer Number:** G931

**Product Code:** DHB8L

**Product Description:** Defibrinated Horse Blood 8L

**Batch Number:** 00025949

**PCV:** 38%

**Container Code:** 10LB

**Volume:** 8000.00

**Production Date:** 2017-02-22

**Expiry Date:** 2017-04-19

### Sterility Tests:

Incubation Temperature	Examination Period	Result
37°C	3 Days	No Growth
Room Temperature	3 Days	No Growth

### Microbiological performance

The following organisms were recovered after appropriate incubation

Organism	Ref No	Result
Clostridium perfringens	NCTC 8237	Growth
Streptococcus pyogenes	NCTC 12696	Growth
Escherichia coli	NCTC 12241	Growth
